

LAKE LIVING AT ITS BEST

643 LAKE DRIVE #10
HIGH ROCK LAKE • LEXINGTON, NC

COME HOME TO ADVENTURE

High Rock Lake's expansive waters and surrounding landscape foster an active, outdoor lifestyle for residents. Warm weather and abundant sunshine in central North Carolina keep people outdoors almost year-round. The lake truly is a 15,000-acre playground offering "something for everyone: skiing, tubing, kayaking, paddle boarding, fishing, swimming, cruising, or just sitting back and taking it all in" according to one local resident. In the warmer months, you'll find neighbors enjoying every kind of water recreation: powerboats and pontoon boats cruising the open water, jet-skiers and wakeboarders skimming the waves, and kids tubing or swimming in the designated areas. High Rock Lake imposes no horsepower limits, so all kinds of boating are welcome, from quiet kayaks to high-powered ski boats.

This home's outdoor spaces are designed for maximum enjoyment. The covered deck living and dining areas are perfect for lakeview meals, whether it's weekend brunch or dinner under string lights as the sun sets.

After a swim or a boat ride, refresh in the outdoor shower. Then settle into the suspended daybed swing, tucked beneath the deck and shaded for quiet naps or a good book.

As evening falls, gather around the fire pit, where stories are shared, laughter lingers, and the day ends just right relaxed, connected, and completely yours.

This is where lake days begin and linger long after the sun dips low. The private boathouse keeps your water toys tucked away and ready at a moment's notice, whether you're casting off for a morning cruise or tying up after an afternoon of tubing with friends. Just above, the sundeck steals the show with wide-open views and room to relax. Finished in genuine Kool Deck, it stays cooler underfoot all day long, perfect for barefoot mornings all the way through breezy sunset gatherings.
